

Report

System Ranking

This report shows how this system's overall score compares to others tested by Novabench users

Overall Performance

 This system ranks higher than 76% of all systems tested

System	Score	Relative Percentile Rank
This Novabench score	1966	-
Systems since 2023, median	1637	— 60th
Systems, all time median	1160	↑ 76th

Report

Power Efficiency

This report provides basic metrics on the power efficiency of this system.

 CPU

Intel Core i7-13620H

Idle to peak efficiency

85%

Peak performance efficiency

47 GFLOPS/Watt

 GPU

Intel UHD Graphics

Idle to peak efficiency

Unknown

Peak performance efficiency

Unknown
